

Brooklyn Daily Minyan Project - Supportive Minyan Member Practices

- Tell us your plans to attend a certain number of days per week or month as a “give/get” - either to attend yourself or to recruit others to attend - *please send us an email at dailyminyan@cbebk.org*
- If you need to remove yourself from the minyan list for a particular day, move other names up so as to remove any holes in the numbering of attendees
- If you need to remove yourself from the minyan list *on the day* that you are scheduled to attend, recruit another Jewish adults to attend in your place
- If you need to remove yourself from the minyan list *on the day* that you are scheduled to attend and you cannot recruit another Jewish adults to attend in your place, notify organizers at dailyminyan@cbebk.org
- Spread the word to others you think may be interested in participating.

We are so grateful to all of you for all you have done to bring our minyan effort this far and we look forward to expanding our minyan with your support.
